

# Mold Remediation Information Session October 2, 2008

---

**Sponsored by Purdue Extension Service**

- Now that the water has receded how do you proceed with clean-up
- How do you keep yourself safe while in your home when mold is present
- Can you do the clean-up or do you need to hire a professional?
- What are your options concerning mold clean-up?

**At 11:00 a.m.**
